# Academy of Rhythmorphology

We welcome you to two days of experiments, workshops and presentations – from the tidal zone to the eigenfrequency of bedrock, from cleansing rituals by the Bekkelaget sewage treatment plant to all-encompassing quantum physics, and from rawness of human voices to a possibility for conversations with an old oak tree.

Marte Aas (*artist and filmmaker*) and Anders Kvellestad (*physicist*), Margrethe Pettersen (*artist*) and Robel Temesgen (*artist*), Torgeir Vassvik (*musician*), Izabela Żółcińska (*artist*) and Simon Hasselø Kline (*marine biologist*), Sakib Saboor (*photographer*), and the Academy of Rhythmorphology initiators, Arjen Mulder (*writer*), Hilde Methi (*curator*) and Signe Lidén (*artist*).
